For Mystery Short Story

Name: Ona Farriet

Description: Pretty, but not beautiful, just slightly taller than average, shoulder length brown hair, light brown eyes. Pleasantly plump, optimistic, enjoys amusement parks, the zoo, amateur theater productions, and junk food. Not the outdoorsy type in a state where most people are outdoorsy.

Age: 27

Personality Type: The quiet type. Seems serious to people who don't know her, but around her few friends she is somewhat goofy, accident prone, and loves practical jokes.

Spouse: Single

Children: None

Significant people in character's life: Father is dead, Mother has moved in with her. She is an only child. Has a couple good friends from high school that she still sees occasionally, and an older cousin, Michael Anderson, who acts like a protective older brother.

Location: Denver, Colorado

Occupation: Accountant

History: Did well in school, even though she hated school. Tripped on a hike and broke her ankle when she was eight, has avoided the outdoors since. Secretly wants to be an actress, but is too afraid to get up on stage.
